

Privacy Policy

Effective Date: 3/4/2025

Gnosis Podcast Platform ("we", "us", "our") is committed to protecting your privacy. This Privacy Policy explains how we collect, use, store, and share your personal information when you use our iOS application (the "App"). By using the App, you agree to the collection and use of your information as described in this Privacy Policy.

1. Information We Collect

a. User Authentication Data

- **What:** Email addresses and other necessary details required for creating and managing your user account.
- **How:** Data is collected during the registration process and managed securely via Supabase.

b. Voice Data Processing

- **What:** Voice recordings captured for the voice assistant feature.
- **How:** Recordings are processed by sending the data to OpenAI for analysis and response generation.
- **Retention:** Voice data is stored only as long as necessary to process your request and is not kept long-term unless required for service functionality.

c. Listening History

- **What:** Data including timestamps and episode information that tracks your listening progress.
- **How:** Collected to provide a personalized experience and improve content recommendations.
- **Retention:** Stored for the duration needed to enhance service performance and user experience.

d. Subscription Information

- **What:** Subscription status and payment information necessary to process and manage subscriptions.
- **How:** Payment processing is handled by Apple/StoreKit; sensitive payment details are not stored on our servers.

e. User Feedback

- **What:** Feedback data, including AI-generated responses with associated timestamps.
- **How:** Collected to help us improve the App and our services.

f. Analytics Data

- **What:** Anonymized usage data to understand and analyze how users interact with the App.
- **How:** Used solely for performance monitoring and service improvement.

2. Use of Information

We use the collected information to:

- Provide, maintain, and improve our services.
- Personalize and enhance your experience within the App.
- Process user registrations and manage user accounts.
- Handle subscriptions and process payments (via Apple/StoreKit).
- Respond to user inquiries and feedback.
- Analyze usage patterns to improve service performance and functionality.

3. Third-Party Services

Our App relies on the following third-party services, each of which may process your personal data in accordance with its own privacy policy:

- **Supabase:** Used for user authentication and data storage.
- **OpenAI:** Processes voice data for the voice assistant feature.
- **Podcast Index API:** Provides podcast-related data integrated into the App.

We recommend reviewing the privacy policies of these services to understand how they handle your information.

4. Data Retention

We retain your data as follows:

- **Authentication Data:** As long as your account is active or as required to provide our services.
- **Voice Recordings:** Temporarily stored for processing and then removed unless further retention is required for service functionality.
- **Listening History and Analytics:** Retained for the period necessary to enhance user experience and for analytical purposes.
- **Subscription Information:** Retained in compliance with legal and financial record-keeping requirements.

5. User Rights

You have the following rights regarding your personal data:

- **Access:** You may request access to the data we hold about you.
- **Correction:** You may request that we correct any inaccurate or incomplete information.
- **Deletion:** You have the right to request the deletion of your personal data, subject to applicable legal and contractual obligations.
- **Opt-Out:** You may opt out of certain data collection practices as outlined in this Privacy Policy. Please contact us for assistance with your preferences.

6. Permissions and Device Features

- **Microphone Access:** Our App requires access to your device's microphone to enable the voice assistant functionality.
- **Background Audio Mode:** The App is designed to play audio in the background, as specified in the Info.plist file, ensuring uninterrupted audio playback.

7. Data Security

We implement appropriate technical and organizational measures to safeguard your personal data from unauthorized access, disclosure, alteration, and destruction. However, please note that no method of transmission over the internet or electronic storage is entirely secure.

8. Changes to This Privacy Policy

We may update this Privacy Policy periodically. When we make changes, we will update the "Effective Date" and post the revised policy on this page. We encourage you to review the policy regularly to stay informed about how we are protecting your data.

9. Contact Us

If you have any questions, concerns, or requests regarding this Privacy Policy or our data practices, please contact us at:
